

MOHAMED AHMED FATHY

Cairo, Egypt | (+20) 111 890 3715 | mohamed200420220@gmail.com

SUMMARY

Experienced Flutter Developer with a strong background in building cross-platform mobile applications. Skilled in applying modern software architectures and integrating with backend services and databases to deliver high-performance, scalable, and user-friendly solutions.

WORK EXPERIENCE

Flutter Developer - Clean Basket (Full-Time)

Remote | 2025 – Present

- Developed and maintained the Clean Basket Driver mobile application for iOS and Android.
- Built scalable and efficient features using Flutter with a strong focus on clean architecture.
- Collaborated with backend teams to integrate APIs and improve app performance.

Freelance Flutter Developer

Remote | Jan 2023 – 2025

- Developed multiple cross-platform mobile applications for clients in nonprofit and service sectors.
- Integrated RESTful APIs, real-time features, and dynamic user interfaces.
- Applied clean architecture principles to ensure maintainability and scalability.
